PROFILE & INFORMATION

PERANAKAN SAYANG

SINGAPORE'S PREMIER PERANAKAN CULTURAL POP GROUP

Formed in 2017, Peranakan Sayang has been entertaining in Singapore and around the region with its lively, entertaining, get-up-and-joget *(dance)* and contagiously happy song performances that appeals to local and international audiences of all ages.

OUR STORY

Peranakan Sayang traces its roots as early as 2004 when its founder, Baba Alvin Oon, performer, song-writer and music arranger, started re-arranging music of folk songs that Peranakans enjoyed listening to, promoting this unique culture.

He aspired to give these traditional songs a *make-over* to give them a new lease of life, bringing sweet nostalgic memories to more senior crowds while attracting newer younger audiences.

The singing group was originally known as *'The Main Wayang Singers'* till its parent company closed down in 2016, paving the way for *Peranakan Sayang* to be formed with the establisment of a new Peranakan cultural arts & events company with the same name in the year 2017.

The company's name, *Peranakan Sayang*, was chosen to reflect the passion in promoting the Peranakan culture, keeping it current and relevant, spreading joy and goodwill and spreading the *sayang* (love) to all Peranakans, its associations in Singapore and regionally and to all who love and appreciate the culture.

ABOUT THE SHOW

Nyanyi! Joget! Hua Hee! ('Sing! Dance! Enjoy!) Three words commonly used by Babas and Nyonyas that describes perfectly what the show is about.

It's a show that's filled with familiar songs that everybody loves such as *Rasa Sayang and Burong Kakak Tua*. Songs that you can dance to, such as *Mari Gelek Gelek and Chan Mali Chan Bhangra*. Interactive fun, cool mash ups like *Bengawan Solo* with a dash of *Bruno Mars* and funny parodies like *Singapore Yum and Chendol, Chendol, Chendol*, bringing on the laughs, smiles and happiness. It's a celebration of culture and of life; living it up, having a memorably great time and making the Peranakan culture current and relevant!

This 30-minute show is filled with freshly arranged music of classic local folk songs, golden oldies and party songs! It's a wonderful repertoire of songs presented with lots of laughter and gets everyone up and dancing!

ALVIN OON

The founder and leader of the group has been involved in promoting the Peranakan culture since the early 2000s. Besides being one of the two Baba singers, he is the person who writes, arranges and mixes all the songs for the group. It is his vision and creativity that has propelled Peranakan Sayang being well received among the Peranakan communities in the region as well as a popular choice of entertainment for corporate, community and international events. Being a professional host, he also leads the show and keeps the pace of the show flowing.

NADIA KANG

She is an original member of the group since its inception in the groups's original early years in 'The Main Wayang Singers' and brings about sweet vocals that shines from her sweet personality! A true-blue Peranakan, she embodies the gracious and beautiful nyonya and radiates any given stage.

RACHEL KWOK

The youngest in the team but she has over 15 years of performing experience in Peranakan cultural shows! She's an awesome team member that fits snugly with her older mates, oozes mature confidence and always adds her good vocals to the group's sound.

THE TALENTS IN PS (2)

JACKIE PEREIRA

The 'chilli padi' of the group is certainly the dynamite in a smaller package. An extraordinary talent who adds a lot of fun to the show with her funny lines, antics and strong vocals! She brings with her a wealth of experience having been a theatre performer, dancer and choreographer for decades. With her quick wit, she's in her element engaging and bantering with audiences and also jumps in as co-host of the show.

RITA CHUA

She is the songbird of the group with her smooth and lush vocals. She has great confidence and poise on stage developed from her years working as a full-time performer at a theme park in Singapore. She's also Singapore's winner of the Teresa Teng competition and her wonderful voice attests to achieving that award. With her postive attitude and lovely disposition, she is indeed an asset to the group.

JOSEPH WONG

He is the other Baba vocalist in Peranakan Sayang and is an accomplished vocalist in Singapore. He was one of the original members of Talentime group 'Budak Pantai' who made a name for themselves especially in the a capella circles in Singapore. His knack for singing beautiful harmonies creates a lovely blend of vocals to the songs performed by the group.
